

**“Underground to On-High”
Planted in History
Day Bus Tour to
Cobourg – Brighton - Trenton**

Saturday 18 July 2015

Gov. Simcoe Branch

Join historian Peter Brotherhood as we visit the north shore of Lake Ontario ‘twixt and ‘tween previous trips to Cobourg and Prince Edward County. In addition to Peter’s commentary and history, plan to visit:

Following a morning coffee break, the first visit is to **St Peter’s Heritage Cemetery** in Cobourg which was established in 1856 and is open to all faiths. It has burial plots for interment and a niche wall & St. Peter’s Memorial Garden for cremations. The particular focus will be on early families in the area who have ben buried here: **Henry Ruttan** (probably SUE), and father **Asa** and son **Zaccehus Burnham** and families

St. George’s Anglican Church is the oldest in Grafton - baptisms in 1820, in 1833 regular services in a school on the current site, clapboard church consecrated Sept. 15 1844. Behind the Church, we will visit the **cemetery**; the earliest marker is dated 1815. Peter will tell us about Loyalist Elikaim Barnum, the founding of Grafton and the story of slavery in the village
