## War of 1812:

### “The Americans March to Defeat”

### Day Bus Tour

### Niagara-on-the-Lake to Hamilton

**Saturday 27 July 2013**

### Gov. Simcoe Branch

Join historian Peter Brotherhood as we celebrate 200 years of peace since the War of 1812! Learn about the significance of this war in the development of both the United States and Canada as we follow the American invasion of Niagara-on-the-Lake in May of 1813, the advance towards Hamilton and the defeat at Stoney Creek.

### Niagara-on-the-Lake

A local historian will guide a one-hour walking tour from the Gazebo near the mouth of the Niagara River (opposite Fort Niagara) along the bank to St Mark's Anglican Church. Here the docents show the trench used in the War, the meat-cutting tombstones and share about the role of the Church in the War -- a hospital.

### The Niagara Historical Society Museum

The museum features a display on the War of 1812, including Brock's Hat, which arrived after his death. The theme this year is Battlefield Niagara for the taking of Fort George in June 1813 and the American occupation until the town of Newark was burned on Dec 10 later the same year.
